I'm Nancy Jost and I'm the DFL endorsed candidate running to be the next representative for Minnesota in district 9A! We've got a lot at stake this election - education, women's rights, and protecting our democracy. I have dedicated my life's work to young children, families and making sure our rural communities have a voice. I'd love to earn your vote this November - as the rural champion our communities deserve. Visit nancyjost.com for more information. *Paid for by Nancy Jost for Minnesota.*
